

Signs for traffic diversions

The symbol on this sign may be replaced by route numbers

Where, in an emergency, it is necessary to close a section of motorway or other main road to traffic, a temporary sign may advise drivers to follow a diversion route. To help drivers navigate the route, black symbols on yellow patches may be permanently displayed on existing

direction signs, including motorway signs. On all-purpose roads, the symbols may be used on separate signs with yellow backgrounds.

Symbols that may be used to indicate a diversion route

Signs incorporating a diversion route symbol that is shown alongside the road number of the route that drivers should follow

Separate signs indicating a diversion route (may be permanently displayed)

Temporary diversion signs may be required when a road is closed for reasons other than an emergency, e.g. to carry out works.
