## ● **Part 2 – Making payments to you**

### ○ **A – Payment direct into an account**

#### **We normally pay Winter Fuel Payments direct into an account.**

You can use a bank, building society or other account provider. Many banks and building societies in the UK will let you collect cash at the post office. Or you can use a bank or financial institution in another EEA country.

#### **How we will pay you**

Your Winter Fuel Payment will be paid into the account you tell us about in **Section B**.

#### **Finding out how much we have paid into the account**

You can check your Winter Fuel payments on the account statements. The statements may show your National Insurance (NI) number next to payments that are from us. If you think your payment is wrong, get in touch with the office that pays you straight away.

#### **If we pay you too much money**

We have the right to recover any money paid to you, which you are not entitled to. This may be because of the way the Direct Payment system works. For example, you may give us information, which means you are entitled to less money but we may not be able to change the amount we have already sent out. If this happens, we will contact you before we recover any money.

#### **What to do now**

- Tell us about the account you want to use, at **Section B**. By giving us your account details you are agreeing to be paid by Direct Payment and understand the information above about being overpaid.
- If you intend to open an account, please give us your account details as soon as you have them.

## ● Part 2 – Making payments to you continued

- **B – Payment direct into a UK account**

**Please tell us your account details below. It is very important you complete ALL boxes correctly including the building society roll or reference number if you have one. If you tell us the wrong account details your payment may be delayed or you may lose money.**

You can find the account details on your chequebook, passbook or bank statements. If you are not sure about the details, ask the bank, building society or other account provider.

## About the account you want to use

You can use

- an account in your name
- a joint account or
- someone else's account,
  - subject to the terms and conditions of the account and
  - as long as you have the other person's permission and authorise them to use the money in the way you tell them

If you are an appointee or a legal representative acting on behalf of the customer, the account should be in your name only.

To be paid into a credit union account you must provide the credit union's account details. Your credit union will be able to help you with this.

Name of the account holder

Please write the name of the account holder exactly as it is shown on the chequebook or statement.

**Full name of bank, building society or other account provider**
