Why should I complete this form?

You should complete this form if you think your total household income (before tax) for tax year 2010-11 will be at least 15% less than it was in tax year 2008-09.

How do I complete this form?

You need to complete all 3 sections of this form by providing details about your expected income for the tax year 2010-11. Don't forget to sign the Declaration at the end.

- Section A – Tax Credits and Income Support
- Section B – your financial information
- Section C – obligations

Notes to help you complete some of the questions within the form can be found every time you see this icon. 

After I have sent you my completed form, do I need to do anything else?

Yes, but not just now. After tax year 2010-11 has ended, we will contact you and ask you to confirm, with evidence, your actual earnings for that tax year.

These evidence items will be the same documents that you send to, or receive from, HM Revenue & Customs. For example, a P60, SA200 or Self Assessed Tax Return.

If your actual income is different from your estimates we may adjust the amount of student finance awarded. If we have paid the student(s) too much we may have to recover student finance from them.
