### Test Certificates

#### **Notes**

- 1. A current test certificate or certificate of temporary exemption must be produced with an application for a heavy goods vehicle if the vehicle is one to which Section 53(2) of the Road Traffic Act 1988 applies by virtue of the 1988 Regs. In cases of doubt, the Regulations should be consulted, but their general effect is that goods vehicles over 3500kgs gross weight (revenue weight for vehicle tax purposes) are subject to testing.
- Classes of vehicle to which Section 53(2) of the Road Traffic Act 1988 does not apply are specified in the Schedule to the Regulations (see over the page). If you consider your vehicle meets one of these descriptions, you must tick the box, to claim exemption, on one of the following forms 'Application to tax a Heavy Goods Vehicle (HGV)'(V85); 'Renewal reminder for a tax disc or Statutory Off Road Notification (SORN) for a Heavy Goods Vehicle (HGV) (V85/1); or a 'Renewal reminder for a tax disc or Statutory Off Road Notification (SORN)' (V11). You must also submit one of the appropriate forms for exemption on each occasion that a tax disc is applied for.
- 3. Some vehicles which would normally need to have test certificates may be exempted if used on a road for a purpose set out in Regulation 44(1) or within the limits set out in Regulation 44(2) of the 1988 Regs.

#### Regulation 44(2) reads as follows:

"The provisions of section 53(1) and (2) of the 1988 Act shall not apply to the use of a vehicle in so far as such use occurs in any place (excluding the Isle of Wight, the islands of Lewis, Mainland (Orkney), Mainland (Shetland) and Skye) being an island or to any area mainly surrounded by water, being an island or area from which motor vehicles not constructed for special purposes can at no time be conveniently driven to a road in any other part of Great Britain by reason of the absence of any bridge, tunnel, ford or other way suitable for the passage of such motor vehicles".

In either of these circumstances a claim for exemption and a Declaration must be made before a vehicle tax disc can be issued.
