# IF YOUR DIABETES IS TREATED WITH INSULIN YOU MUST COMPLETE THE DECLARATION BELOW

Declaration: to be	signed by all applicants who have <b>insulin</b> treated diabetes.
•	comply with the directions of the doctors treating my diabetes report immediately to DVLA any significant change in my condition provide evidence on request that I regularly monitor my condition and in particular, undertake blood sugar/glucose monitoring, using a glucose meter with a memory function, at least twice daily and at times relevant to driving Group 2 vehicles.
Signature:	Date:

### A Guide for Group 2 (LGV/PCV) Drivers who have Diabetes treated with tablets in the Sulphonylurea or Glinide class

**VDIABDEC** 

<b>Sulphonylureas</b>	which	include	the
following tablets	S:		

Chlorpropamide
Glibenclamide also known as Euglucon
Gliclazide also known as Diamicron or
Diamicron MR
Glimepiride also known as Amaryl
Glipizide also known as Minodab and
Glibenese
Tolbutamide

Glinides	which	include	the	following
tablets:				

Nateglinide also known as Starlix Repaglinide also known as Prandin

To meet the current Group 2 standards of medical fitness to drive an applicant or licence holder who has diabetes treated with a Sulphonylurea or Glinide (see above) **must** check their blood glucose (sugar) level at least twice daily and at times relevant to driving. Failure to do so will lead to the revocation or refusal of your Group 2 licence. If you are unsure what medication you are taking you may wish to discuss this with your GP.

You will also be required to keep a supply of fast acting carbohydrate such as glucose or sweets within easy reach in the vehicle.

Please only complete the Declaration below if your diabetes is treated with tablets in the Sulphonylurea or Glinide class (as shown above).

Group 2 standards of magest twice daily and a	ave read the above information and fully understand the edical fitness to drive I will check my blood gluctures relevant to driving. I will also keep a suppose or sweets within easy reach in my vehicle.	ose (sugar) level at

	D4	97 form for Spe	ecial Controls			
If you have said <b>YES</b> , that you need to drive a vehicle fitted with special controls or automatic transmission, you must now fill in the parts of the D497 that are relevant to you. The E.C. code will be updated onto your record and appear on your licence. Please write to us if your circumstances change. We can change or remove codes.  You will also need to return both parts of your current driving licence if you have not already done so.  You should only complete this form if you hold a full driving licence. If you hold provisional entitlement or are applying for a provisional licence if you need special controls the specific codes will be updated when

#### **CONSENT**

Please read the following information carefully and then sign the statement below. This section MUST be completed and must NOT be altered in any way.

#### **Important information about Consent**

You will see that we have asked you for your consent for the release of medical reports from your doctors as we may require further information. In addition, as a part of the investigation into your fitness to drive, DVLA may require you to undergo a medical examination or some form of practical assessment.

In these circumstances, those personnel involved will require your background medical details to undertake an appropriate and adequate assessment. Such personnel might include Doctors, Orthoptists at eye clinics or Paramedical Staff at a Driving Assessment centre. Only information relevant to the assessment of your fitness to drive will be released.

In addition, where the circumstances of your case appear exceptional, the relevant medical information would need to be considered by one or more of the Secretary of State's Honorary Medical Advisory Panels. The membership of these Panels conforms strictly to the principle of confidentiality.

All data held by DVLA is used for internal evaluation of the quality of our services.

An data field by DVLAY is used for internal evaluation of the quanty of our services.				
Consent and Declaration  I authorise my Doctor(s) and Specialist(s) to release reports/medical information about my condition relevant to my fitness to drive, to the Secretary of State's medical adviser.				
I authorise the Secretary of State to disclose such relevant medical information as may be necessary to the investigation of my fitness to drive, to Doctors, Paramedical staff and Panel members.				
I declare that I have checked the details I have given on the enclosed questionnaire and that, to the best of my knowledge and belief they are correct.  "I understand that it is a criminal offence if I make a false declaration to obtain a driving licence and can lead to prosecution."				
Name:				
Signature: Date:				
I authorise the Secretary of State to :				
Inform my Doctor(s) of the outcome of my case  YES  NO				
Release medical information, discovered during the investigation into my fitness to drive, to Doctor(s)				
Electronic Release of Information  DVLA is able to request and receive medical information by fax and email from you, your doctor(s) or any relevant personnel associated with your medical enquiry				
All information held by DVLA is treated with strict confidentiality. E-mails with personal information will be sent by DVLA to medical professionals only where a secure network is available. The security of the electronic transmission of information over the Internet cannot be guaranteed and DVLA cannot accept responsibility for e-mails or faxes sent by others, until they have been received by us. If we are unable to communicate in this way, conventional postage methods will be used instead. You must confirm in writing if you wish to cancel the agreement to communicate electronically.				
Do you agree to DVLA communicating with you by fax and / or email YES NO				
Do you agree to DVLA communicating with your Doctors, Orthoptists or relevant personnel by fax and / or e-mail?
